

Welcome to Hamamatsu Town

Wide area map

Act Tower

45 stories tall, with a 185m high observatory that offers an unparalleled view in the Tokai region

Hamamatsu Castle

Because Tokugawa Ieyasu resided here for 17 years in the prime of his career, the castle is also known as the "Castle of Success"

Hamamatsu Museum of Musical Instruments

The world's foremost musical instrument museum, with around 1,300 instruments from around the world on regular display

Soramo Gallery and Mall

An open space adjacent to the Hamamatsu Station, used to host music performances, social functions and other bustling events

Hamamatsu Festival Stalls

The Hamamatsu Festival is held every year on May 3, 4 and 5, with Japanese music and festival stalls lining Kajimachi Street each night
